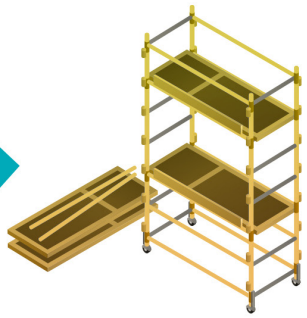
“Safety is who we are.”

Making sure that everyone goes home after work is what we work towards. Safety is one of the most crucial items in the Construction Industry and often overlooked. Bayside Scaffolding makes it its top priority, all year round.

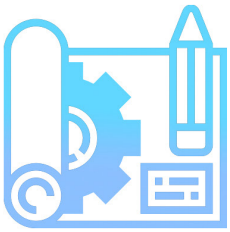
Safety is our **Number 1** priority.



Over 40 qualified and skilled staff members

Police Checks on our workers. Impeccable safety record.

A collaborative culture placing high value on **SAFETY,** teamwork, respect and commitment.



High quality **Galvanised** material to give job sites a clean look throughout the project.

Our Values

1

SAFETY

Everyone deserves to go home safe...

Safety is our mission. Zero harm for our people, our clients and the community. We make safety personal & reinforce its value by leading by example.

PEOPLE

2

The Pulse of our organisation..

People are at the heart of everything we do. Our people set us apart in delivering on our promises to our clients.

3

RESPECT

Dedicated to relationships...

Respect is the glue of our relationships. We act with integrity in all our relationships and respect everyone & their ideas.

TEAMWORK

4

One team approach to accomplish shared purposes...

Collaboration with each other and our clients is vital for success. We recognise the need to play on the same team & step in and support each other.

5

COMMITMENT

Delivering what we promise...

Our commitment is our drive to be the best. We deliver on our promises to each other and our clients.
